[Blogging Guidelines and Procedure](#)

[Guide for Blog Contributors](#)

[Blog Installation Requirements and Priorities](#)

Project:

Timeline:

Jan. 2007: Blog Live

August 2007: Blog Working Group Reconvened

dynamictasklist: task list macros declared inside wiki-markup macros are not supported

Project History:

See attached documents:

1. Initial proposal to M-Team, 5/19/06
2. Blog proposal meeting minutes, 5/30/06
3. Blog update to DS, 8/2007

Original Project Plan:

- [Determine functionality needed \(required and desired features\)](#)
- [Test selected software with content posted by a small group of library staff](#) (beyond project team members, other staff identified include V. Massey-Burzio, GPML librarians, P. Higgins, CER staff)
- Publicize blog and solicit feedback from readers
- Assess usefulness of blog through reader and staff feedback and use statistics

2017 - 2018 Working Group

- Meredith Shelby
- Robin Sinn
- Margaret Burri
